TRIUMPH CLOTHING p36

Whoever you are. Whatever you ride.
Whatever the weather. This is the gear.
Genuine Triumph clothing.

CREATE MY TRIUMPH p39

Create it your way. Exactly your way.
By personalizing your Triumph online at
triumphmotorcycles.com Any Triumph.
Any accessory. Any color.

SPEEDMASTER. Bad boy good looks. Slash-cut pipes. Engine covers in black for real attitude. Black cast wheels with machined detail. The Speedmaster. Air-cooled, 865cc parallel twin 270° crank engine. A unique 'hot rod' style. The very essence of a low-slung, old-school cruiser re-invented for the demands of the modern rider. A brooding dark horse. Tank mounted tachometer. Braided brake lines. Twin front discs and flat bars. The Speedmaster looks brilliant. It rides even better.

SPEEDMASTER

Speedmaster shown wears chrome oval mirror kit featuring high gloss, die cast teardrop mirrors with drilled stems, single seat finisher kit, and short high-flow pipes.

SPEEDMASTER PHANTOM BLACK AND
NEW ENGLAND WHITE WITH ACCESSORIES

SPEEDM

ASTER

Accessory chrome mirror pack features high-gloss chromed oval or teardrop-shaped mirror heads with solid or drilled stems and laser-etched Triumph logo.

Aggressively styled factory color matched front spoiler kit to complement the Speedmaster's 'hot rod' style.

AMERIC

AMERICA. With a British twist. Definitive cruiser styling and distinctive design. Sit low, settle into the low-scooped seat, feet forward. Grab one of the bars, and with the other hand hit the starter button. The traditional British torquey, air-cooled 865cc parallel twin clears its throat and rumbles into life. That 270° crank says it all. No place to hide now. They're all looking at you. Get real, they're looking at the bike. Ok, ok, some are admiring themselves in the chrome: there's plenty to go round. Chromed single headlamp, chromed engine covers, all that chromed detailing. Shrouded forks with polished lowers, machined cast wheels, twin reverse cone pipes. America the bold. America the beautiful.

AMERICA

Increase the America's touring potential with 18 liter capacity per side, genuine leather saddlebags featuring Triumph branded chrome buckles and subtle snap-fit clips. Chrome plated sissy bar and rack featuring backrest pad tailored to match seat. Die cast Triumph branded chrome plated highway pegs shown fitted with adjustable mounts.

TH

UNDERBIRD

ALL-NEW THUNDERBIRD.

A rider's cruiser. Typically assured Triumph handling. A rigorously engineered chassis. Finely tuned suspension. Supreme control for all kinds of riding. A low center of gravity for perfect balance at all speeds.

Open the throttle. The all-new parallel twin 1600cc/98 cubic-inch water cooled engine effortlessly heaps immense torque down into the road. Even at low revs. In all gears. Savor the exhaust note. Tune out the treble, turn up the bass, and create the Thunderbird's unique freedom call.

THUNDERBIRD

THUNDERBIRD ALUMINUM SILVER WITH ACCESSORIES

The meticulously considered all-new Thunderbird. In every aspect of its instrumentation and detailing. The tank hosts a large speedometer, integrated tachometer, two trip meters, and a fuel gauge set in a chromed nacelle. Its generous 5.8 gallon capacity affords you an extended cruising range - the perfect opportunity to admire the cast chromed Triumph badges and Thunderbird logo that adorn it. The finely calibrated suspension system is a revelation, eating up mile after mile of pavement with the comfort and handling you demand. For that ultimate control, there is the progressive smoothness of dual front discs, delivering that special feedback and responsiveness.

Thunderbird pictured features wide handlebars for a more relaxed riding position. Hand polished triple chromed wheels, triple plated chrome fork legs, chromed single seat rack, and chrome master cylinder cover with Triumph logo as well as high flow short pipes.

FOR THE STREET

FOR THE OPEN ROAD

Superb quality genuine leather saddlebags with 20 liter capacity per side, featuring a molded back and integral stiffeners to maintain shape and enhance durability. The dynamic saddlebag mounting kit isolates bags from the natural movement of the bike, ensuring effortless handling is maintained. For increased touring potential, the quick release Roadster screen offers superb levels of wind protection and is the ultimate in durability and optical clarity thanks to its Quantum coating. It features subtle Triumph branding and an optional windscreen lock kit. Triumph's new quick release, fully chromed, sissy bar offers the ultimate in passenger comfort and features a two-stage quick release system and an integral lock. Developed for ease of use, when removed it leaves a clean, uncluttered look.

TRIUMPH

ROCKET III ROADSTER. A masterpiece. A tour de force. Inspired. The world's largest production motorcycle engine. It's awe-inspiring. A new, revised, more focused riding position. Amazing acceleration. Increased torque. Delivered via shaft drive for controllable power off the line and through the gears. It handles like a bike half its size. Real, useable performance. The smooth rider. No unnerving surprise. A bike for the real world. Sport bike-derived brakes: twin front discs with Nissin 4-piston calipers, a Brembo rear caliper, and, of course, braided lines all round. A massive 240 section rear tire. Long, chromed twin exhaust pipes. It looks all business. It is all business.

ROCKET III ROADSTER ABS

ROCKET III ROAD

STER

High gloss chrome teardrop mirrors with laser etched Triumph logo. Color matched, factory finished sports screen and radiator cowls are available to add further aggression to the bike's styling as well as increase protection from the elements.

Black as it comes.

Is Silver more you?

Or is Blue your thing?

Let's add some chrome.

No flies on you.

CREATE[®] MY TRIUMPH

triumphmotorcycles.com

Less is more... and louder.

Just stick it on the rack.

Lean back and enjoy.

Just you, the bike and the road.

OK, let's go tour.

Nice leather.

Yours in Blue.

Create it your way. Personalize your Triumph by going to "Create My Triumph" online or your local dealer. This industry-leading configurator allows you to choose any Triumph, in any production color, and see it transformed as you accessorize it as much or as little as you want.

From factory color coded fly screens to hand polished chrome wheels, the complete range of Genuine Triumph Accessories is available for you to add effortlessly with the click of a mouse.

Once created, the Triumph of your dreams can be saved as your desktop background. You can also email the image and listed accessories to your friends.

To create your Triumph, visit "Create My Triumph" at triumphmotorcycles.com

OUR WORK EXTENDS FAR BEYOND THE FACTORY GATES.

We're proud of the bikes we build. We're proud of the materials we use and the people who turn our ideas into reality.

It's simple. If it doesn't meet our exacting standards, we won't put our name on it. We test every component in every condition. Every single part and accessory goes through a rigorous assessment program to simulate the very worst you can throw at it, and then some. Hot or cold, rain or shine, one-up or two, we go to the limit to give you the best.

Our confidence provides you with a 12-month unlimited mileage warranty on replacement parts. Our parts service is faster and more efficient than any other – we even supply parts for Triumphs dating back to 1991. If you want the best for your bike, you want Triumph Genuine Parts.

Alongside the knowledge that we give you a **two-year unlimited mileage warranty** on your new Triumph, you know that with us you are getting more than just a motorcycle.

GO YOUR OWN WAY

The photography within this brochure shows Triumph motorcycles being used by expert professional riders in protective gear under professionally controlled, closed course conditions. Triumph does not endorse or encourage stunts, tricks or any form of irresponsible riding. At Triumph, we want every ride to be safe and enjoyable. Always ride safely, defensively and within the limits of the law. Always ride appropriately for road conditions. Always ride within your ability. Take a riding skills course. Always wear an approved helmet, eye protection and appropriate protective clothing. Always insist that all passengers do the same. Never ride whilst under the influence of alcohol or drugs. Study your owners' manual and inspect your Triumph motorcycle before riding. Data given to UK market specification. "Wet Weight" means the weight of the motorcycle ready to ride, with a full fuel tank. Power and Torque are at the crankshaft, to 95/1/EC. Seat heights are measured without a rider seated on the bike. Silencers: Unless otherwise stated, Triumph accessory mufflers do not conform to on-road noise or emissions standards in countries where such standards apply. Use on-road may therefore violate the law. These products are designed for closed circuit competition use only. Triumph accessory mufflers will require a specific tune download, which is available from your authorised Triumph dealer. Specification may vary by market. Some accessories are prohibited by local law. As a motorcycle owner/rider, it is your responsibility to know of and comply with all local laws. If you have any doubt, contact your local authorities. All details correct at time of going to press. Triumph Motorcycles Limited reserve the right to make changes without prior notice. Please consult your dealer for model and color availability. © 2009 Triumph Motorcycles Limited. All rights reserved. Alpinestars® is a registered trademark of Alpinestars S.p.A.
