CLOTHING COLLECTION
AUTUMN WINTER 2011 HIGHLIGHTS

The Autumn Winter 2011 performance range incorporates riding gear to suit the many needs of the Triumph customer and is highlighted by proprietary innovations in heat and light technology.

With the up-graded Essentials pieces for those looking for quality and affordability to the urban sports rider looking for a combination of fit and performance and to the off-road adventurer in search of adaptability to new climates and riding conditions; each riding garment is designed and engineered with precision in support of ultimate rider safety, comfort and style.

Headlining the range is the Triumph Sympatex® Light Jacket, a top of the range all weather jacket that has wearable LED technology built in and the Triumph Kalahari Jacket and Jeans, designed to perform whatever the weather in a variety of off-road riding scenarios and climates.

The new Autumn Winter 2011 casual wear range incorporates a capsule collection inspired by Steve McQueen's love of racing Triumphs and a range of heritage T-shirts designed using real life Triumph stories from around the globe, unique to the Triumph dealer network.

The Autumn Winter 2011 ladies collection includes an expanded range of riding jackets combining key elements of function and fit with subtle logos and feminine styling details and a new range of jersey pieces designed with new fabrics and wash treatments to give enhanced, softer hand feel.

In addition Triumph offers a comprehensive collection of personal accessories and gift items, for Autumn Winter 2011. From performance luggage to casual caps, mugs, belts, buckles, key rings and scale models there are many gift options for the Triumph enthusiast.

Check out www.triumphmotorcycles.com for the complete range and to locate your nearest dealer.

SympaTex®

Integrated LED's placed to the chest and back of the jacket

SYMPATEX® LIGHT JACKET MSRP \$459.99

An innovation in motorcycle rider wear that uses integrated wearable LED technology designed into a top of the range all season waterproof touring jacket. Whereas high visibility materials rely on a light source, the wearable LED technology aids day and night visibility for all road users.

Premier all season touring jacket / Integrated wearable LED light technology – chest and back / Fully controllable light functions / Rechargeable lightweight battery included / 5 hour single charge life / Sympatex® performance membrane technology – waterproof, windproof and breathable / Removable CE approved shoulder and elbow protectors / Removable thermal lining / Removable storm collar / Internal storm guard / Straight fitting style for everyday riding comfort / Sizes S to XXXL

Rider wears Sympatex Light Jacket, Sympatex Explorer Pants, Explorer Gloves and AS3 GoreTex Boots

External push button control for full control of the lights. Select all lights on, front on only, back on only or all lights off

LIGHT VEST MSRP \$169.99

High visibility vest that incorporates wearable LED technology to wear over your current riding jacket

KALAHARI JACKET & JEANS
